

Chalet Elomaz

Village chalet for 10 with games room, terrace and garden

Contemporary chalet, perfectly located for families who want to explore the mountain resorts

Chalet Elomaz...

This delightful contemporary chalet is perfect for groups who are planning to explore the Aravis area and beyond.

Situated in the village of St Jean de Sixt, with stunning views over the mountains, Chalet Elomaz is halfway between the Alpine resorts of La Clusaz and Le Grand Bornand, giving you easy access to the whole of the Aravis ski area - 220km of varied slopes. Both ski stations are just five minutes drive away, but if you'd rather take the ski bus, it stops just 250m from your door.

Families will feel perfectly at home at the spacious Chalet Elomaz, and children will love the large garden, on the edge of the forest, with a slope which makes a great sledge run in the winter!

The centre of the village is just 700m away, thanks to the main road from/to La Clusaz running just below the chalet. It offers a good selection of shops and restaurants, with plenty more to be found in La Clusaz and Le Grand Bornand. The beautiful medieval town of Annecy is just 25km away, and is a wonderful day out, whatever the time of year.
